Re: Receipt of Supplemental Information, Crescent Creek/May Day Mill, S/017/043, Garfield County, Utah

Dear Mr. Wilson:

Thank you for your May 18, 1998 response to our latest April 28th letter requesting additional information. Your letter clarifies questions we had regarding MCW's land and mine claim acquisition and the transfer of existing notices within the Crescent Creek and Hanksville areas. Enclosed are three transfer forms (MR-TRS) for your use in transferring these projects from the existing owners to MCW's permit.

Due to some restructuring in the Division's Minerals Program, Tom Munson may become the new Division contact for this project. We hope to get down to the Crescent Creek area in July to inspect the sites and acquaint Tom with the area.

If you have any questions regarding the transfer forms, please contact me at (801) 538-5268 or Tom Munson at 538-5321. I look forward to meeting with you in July.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
